raja of Mysore. Gen. & Rev. Depts.

Sir,

Referring to Govt. Proceedings No. 320-60 G. dated 24th July 1903, I have the honour to make the following suggestions for the curtailment of two annual Reports (one of the Stamp Department and another on the working of the Mysore State Life Insurance Scheme) dealt with in the Financial Branch of the Secretariat.

2. The Report of the Stamp Department for 1901-02 consists of 2 pages of text and 12 pages of Statistics, while the Report for 1900-01 consists of 4 pages of text and 10 pages of Statistics. The increase in the size of the Statistics appears to be due to the State-ment No.6 occupying 3 pages against 2 pages in the Report for

1900-01 and to the inclusion of a New Statement No.10 in the Report for 1901-02. The suggestions which I make in regard to this Report after consulting the Superintendent of Stamps are--

(a) That the 1st. two tables in the Report for 1901-02 may be replaced by references to the Statistical Statements.

(b) That the maximum length of the Report may be fixed at 2 pages of text and 12 pages of Statistics.

(c) That the 1st. November after the close of the official year may be fixed as the date of submission of the Report to Government, no precise date having yet been fixed.

(a) (b) & (c) may be done 13/11/03

5. The Report on the working of the State Life Insurance Scheme for 1901-02 consists of 1 page of text and 9 pages of Statistics. It conforms to the principles laid down by the Government of India in their Resolution dated 24th February 1901, there being no tabular Statistics in the text and the text itself being as concise as possible. I suggest, with the concurrence of the Secretary to Insurance Committee, that the maximum length of future Reports may be fixed at 3 pages of text

Yes 13/11/03

and 9 pages of Statistics.

I have the honour to be,

Sir.

Your most obedient servant,

Assistant Secretary,
